

# DEC.1ST TRANSCANADA OIL PIPELINE

## Community Information Session

@ The Culture Center

Open House From 12noon-4pm

Presentation From 5:30-6:30, followed by Q&A

TransCanada has proposed to build a 4,600 Kilometre pipeline that will carry 1.1 million barrels a day of crude oil from Alberta and Saskatchewan to refineries in Eastern Canada. The project will consist of Marine facilities (including one in St. John, NB) that will allow for marine transport of oil to other countries.

**We will be  
providing Lunch  
and refreshments**

---
