

ARCHAEOLOGICAL FIELD TECHNICIAN Employment Opportunity

Recognizing the increased need for First Nations involvement in archaeological assessment throughout New Brunswick, the Maliseet First Nation and the Government of New Brunswick (MFN/GNB) have created an initiative to prepare Maliseet First Nation individuals to participate in the assessment process. The first stage of this initiative is to undertake a large archaeological assessment of a proposed mining site location in central New Brunswick by offering training and employment to Maliseet First Nation community members.

The managing archaeological consultant is seeking to fill a number of positions within the archaeological field and support team from First Nation communities. MFN/GNB is currently seeking candidates for the role of Archaeological Field Technician (60 positions) for a 12 week term beginning August 2015.
