

NURSE

Employment Opportunity

Recognizing the increased need for First Nations involvement in archaeological assessment throughout New Brunswick, the Maliseet First Nation and the Government of New Brunswick (MFN/GNB) have created an initiative to prepare Maliseet First Nation individuals to participate in the assessment process. The first stage of this initiative is to undertake a large archaeological assessment of a proposed mining site location in central New Brunswick by offering training and employment to Maliseet First Nation community members.

The managing archaeological consultant is seeking to fill a number of positions within the archaeological field and support teams from First Nation communities. MFN/GNB is currently seeking candidates for the role of Nurse (2 positions) for a 12 week term beginning August 2015.

Job Description:

Primary Role:

The role of the onsite nurse is to be on standby to administer first aid as required to project team members.

Key responsibilities:

- Travelling around the project area daily to look for health related issues
- Take the lead on health related issues in cooperation with the Project Manager
- Supervise the site Health and Safety Committee

Qualifications:

- Paramedic/LPN certification required
- Valid Class 5 drivers license an asset
- Undertake physical labour in remote and difficult terrain in all weather conditions
- Experience with Health and Safety Committee
- UTV experience as asset
- References required

Schedule:

- Training/Orientation starts August 31st, 2015
- Field work starts September 8th, 2015

Wage: \$25.00/hr plus 4% vacation pay and 4% statutory holidays

- Child care provided as required,
- Transportation, PPE and daily lunch will be provided
- 50 work week (includes 10 hours paid travel a week)
