

# St. Mary's First Nation Development of a Matrimonial Real Property Policy

## What Types of Issues will the Matrimonial Real Property Law Cover?

The matrimonial real property law will most likely talk about what happens to matrimonial real property in the following circumstances:

- Who the law applies to
- Prenuptial agreements or marriage contracts
- Dispute resolution
- How to divide matrimonial property upon divorce or relationship break down
- Rights to the matrimonial home
- Estate provisions in the event that a spouse dies
- Emergency protection orders
- How to amend or change the matrimonial real property law
