ELDER/SENIOR'S 60+

First and foremost, I am so thankful that our Elder/Senior's now have their own space for activities and events. Our first event was a huge success. We receive so much positive feedback on how our Elder/Senior's miss each others company and the chance to socialize.

However, due to the increase in Covid-19 cases throughout New Brunswick. ALL Elder/Senior's 60+ events have been CANCELLED until the new year 2021.

Our Elvis Christmas at the Fredericton Playhouse for December 13th, 2020 is now an individual event; therefore, you will need to find your own transportation. The Fredericton Playhouse has some strict guidelines; such as, no food or drinks and masks must be work at all times during the performance. For those who have registered then please reach out to Nicole.

Stay tuned as we will be moving to some virtual programs and delivering some crafting kits! 😊
