# Board of Directors Meeting, April 5, 2022

Sitansisk Chief and Council met with the Board of Directors (BoD) for economic development to discuss of the operational status and health of St. Mary's Entertainment Centre (SMEC), St. Mary's Retail Sales (SMRS), and to introduce the new Economic Development Officer, Patrick Brooks. The meeting was opened with a prayer by Sakom Polchies, followed by a round of introductions and welcomes for Patrick Brooks as this was his first BoD meeting.

There were some key takeaways for both SMEC and SMRS, seen below:

**SMEC (Bingo Hall) Updates:**

- Currently increasing revenue compared to prior months following the lifting of COVID-19 Pandemic restrictions. Approaching pre-pandemic levels of business, particularly in the VLT lounges.
- Poker Tables to return soon, following their cessation due to the pandemic making it untenable to host.
- A meeting is scheduled with another First Nation to discuss the prospects of developing alternative options to working with ALC for VLT and gaming administration. This would allow for a more casino-style layout and an expanded gaming potential for SMEC, but at the cost of losing support and access to ALC operations. It was determined worthy of investigation, but no changes are to be made yet.
- The Pine Tree Pub reopened following its renovations, with a marked increase in business. Hours to be expanded for weekends, as well as looking at opening for pay-per-view events like UFC fights to attract customers.
- Bingo is currently operating 5 days a week, with none held on Mondays or Wednesdays; with the returning business, should be able to open for Wednesday bingo by late April, early May.
- Marketing budget was adjusted to increase new customers; appears to be working. Currently running ads on the radio, via Facebook and Instagram, and in other markets as suggested.

**SMRS (Retail Sales) Updates:**

- Ron Wood gradually phasing out of management; training Duska Nash and Robert Paul as his replacements. Training both replacements for their new duties.
- Current projections from finance indicate SMRS will be operating in the black (Neither deficit nor surplus) for 2022, particularly if current trends continue.
- Supermarket business is up, but still not ideal. Discussing opportunities to have beer and wine added through partnership with ANBL, but nothing has been confirmed yet. New refrigeration units may be in order; older units aren't as efficient and are prone to issues.
- Gas Bars are operating at a steady profit.
- Sacred Arts is turning a profit in its new location, with increased overall business.
- Candy Shop remains profitable, with almost 3000 unique customers since opening; turning a decent profit month to month as well.
- Earth Medicine business is up a lot since the last update provided in a BoD meeting.
- Two Nations One Stop has had an 80% increase in sales, alongside nearly 70% more customers. Consumers in Fredericton are going there for more competitive gas prices; due to not being tied into any Tax Agreements yet (Due to the delays in the addition-to-reserve requests being formalized), there's more room to adjust pricing. New business appears to be from new clients overall, as the Cliffe Street Gas Bar is still operating at similar levels of business. This business remains profitable despite not being eligible for the taxation agreement; this remains a goal for all other band businesses in case the TRSA is not renewed with the province.
- Cannabis NB is looking to start a pilot project for private entities, similar to ANBL Agency stores. Request for information on that has been made, may be an opportunity to create more opportunities in the cannabis sector for the band enterprises.

Following the updates from SMEC and SMRS, Patrick Brooks was given the floor. He thanked SMEC and SMRS for their updates and noted he was still getting his bearings within the administration but has big plans. These include evaluating the prospects of a Starbucks franchise, a hotel, and funding sources to be used for either. The Union Street lot is a highly desirable piece of real estate, as it has trailside access, a view of the waterfront, and is currently free of any obstructions. Additional areas of interest were raised but were in the preliminary phases and have been excluded as result.

The meeting was concluded with a prayer and an expression of gratitude to the SMEC, SMRS and EcDev staff present.

# Notice of Acquisition of Eqpahak Boat Landing

Sitansisk, in partnership with Maliseet Nation Conservation Council (MNCC) has purchased a plot of land adjacent to Eqpahak. There is some maintenance left to be done but should be accessible shortly.

**Key Details:**

- **The Band is not responsible for any risk, losses, or other perils from using this land. Please take all appropriate safety precautions and use best practices.**
- **Camping Trailers are not permitted on this lot; this is to ensure the area remains accessible to all members.**
- **This parcel is on the slower moving north bank of the Wolastoq, and has deeper, slower moving waters.**

Below is a map of the land acquired.

# *MNCC – Nathan Paul, Coordinator*

*nathanpaul36@gmail.com office: 472-8803 Cell: 260-8022*

## *Wolastoqey/Maliseet Indigenous Protected and Conserved Areas (WMIPCA) Project*

### *Working Group Information Sheet*

The Canada Nature Fund is a Canada-wide funding program. It has dedicated 1.35 billion dollars towards increasing the protection of Canada's nature and wildlife. The Canada Nature Fund was created to move Canada forward on its biodiversity targets. The first Canadian target is called "Pathway to Target 1" and it states that Canada will protect 17% of land and 10% of the ocean by 2020.

## What we expect from the working groups

The working groups will be working directly with the MNCC WMIPCA Project Coordinator to come up with a strategy to engage community involvement in IPCA development. We would be meeting monthly to discuss best practices for community meetings and how to get the community to help identify areas that we wish to protect. Once the community has identified specific lands, the information will be presented to the Board for MNCC (our elected Leadership) for them to make the decisions on which lands need to be purchased.

## What are we asking from community members?

We are asking for each member to come and point out areas they wish to see protected under the IPCA project. These areas can be any where you hunt, fish, pray, harvest, gather medicine etc. At this time we are not looking for information on why you want to protect the specific area.

## What is going to happen to the lands identified

Once we have a list from each community MNCC will present this to the chiefs. From there the chiefs will review the recommendations and decide next steps.

COVID-19

# What to do if you test positive for COVID-19

**If you or someone in your household has COVID-19**

Updated March 14, 2022

## IF YOU OR SOMEONE IN YOUR HOUSEHOLD HAS COVID-19

Isolation is no longer required for the general public; however, you are encouraged to stay home and work from home if possible:

- While sick
- Until your symptoms improve
- Until you have been fever free for 24 hours
- Until you have been diarrhea and vomit free for 48 hours

Once you are no longer feeling sick we encourage you for 5 days, or for 10 days if you are immunocompromised to:

- Wear a three-layer well-fitting mask
- Physical distance from others as best as possible
- Avoid gatherings
- Avoid visiting vulnerable individuals or settings (i.e. Long-term care homes, correctional facilities, hospitals, or shelters.)

You are encouraged to notify your employer that you tested positive for COVID-19 if you work in a vulnerable setting as your employer may provide you with additional guidance to follow.

Within vulnerable sectors, a five-day isolation period for anyone who tests positive for COVID-19 is still recommended by Public Health for people living in:

- long-term care facilities
- shelters
- correctional facilities

## ASSESSING PERSONAL RISK

You are encouraged to assess and manage your personal risk and continue using public health preventive measures that can decrease your risk of contracting or spreading COVID-19.

When assessing personal risk, you should consider your own risk factors for severe illness and hospitalization as well as those of family members and friends, in addition to the settings in which they interact.

## WHO IS AT HIGH RISK FOR SEVERE ILLNESS?

- Older adults (50 and older with increasing risk with each decade)
- Those with chronic medical conditions or who are immunocompromised
- People who are not fully vaccinated or boosted

## IF YOU HAVE RISK FACTORS, YOU SHOULD CONSIDER ADDITIONAL PREVENTIVE MEASURES:

- Avoiding or limiting time spent in crowded or poorly ventilated indoor places
- Minimizing close contact with anyone who has cold-like symptoms
- Continuing to use a mask, distancing, and frequent hand washing

## WAYS YOU CAN REDUCE THE SPREAD OF COVID-19

- Get fully vaccinated with two doses and get a booster dose, if eligible
- Wear a mask if you are:
  - Around vulnerable people
  - Indoors in crowded places
  - In poorly ventilated spaces
- Wash or sanitize your hands frequently
- Consider lower risk settings and activities if you are at a high risk
- Stay home if you are sick

**PCR test results may be accessed online at MYHEALTH.GNB.CA.**

**Register your positive rapid point-of-care test result at GNB.CA/POSITIVERESULT**

MOTHER

# EARTH DAY

# APRIL 22, 2022

# MEDICAL TRANSPORTATION

If you have a medical appointment, please call our office 452-2750.
Any other time when we are not open and you need a medical cab, please phone

**ST. MARY'S MEDICAL TAXI NUMBER 455-0723**

**Their hours are from 5:00am to 11:00pm weekdays and open 24/7 on weekends.**

**The dispatch at Loyal Taxi will start asking your name, band number, your address and where you are going as well. We need this information for our data purposes with FNIHB. So please be patient with them as well.**

**If you have a trip to Halifax or anywhere outside of NB, please let me know as soon as you know of your appointment so I can get it approved by FNIHB.**

## SOME REMINDERS ABOUT MEDICAL TRANSPORTATION

This service is to provide transportation:

- **For registered band members of Saint Mary's only**.
- **Only within the Fredericton city limits.**

We **DO NOT** provide services for people

- **We do not take people to pick up or drop off prescriptions**.
- **We do not provide services for people visiting patients in the hospital**
- **We do not provide stops or extra passengers for medical trips.** ***We only cover the person who has the appointment unless it's a child underage and we will cover the parent/parents.***
- **We do not cover wait times between trips, for example if you must make a stop or have the taxi wait for any reason, the taxi will ask you to pay him for that wait.**

**PLEASE CALL THE OFFICE DURING OFFICE HOURS FOR YOUR MEDICAL TRIPS**

**452-2750**

- DETACH AND SAVE - - -

# Community Announcement

The Wolastoqey Tribal Council Inc. ("WTCI") in partnership with the Wolastoqey Nation in New Brunswick ("WNNB") is excited to announce that it has been selected for the Jays Care Foundation Indigenous Rookie League for Summer 2022! The Rookie League will be a youth summer baseball league within the 6 Wolastoqey communities. More details will be shared in the coming months.

While we work to finalize the details of the League, WTCI would like to get a sense of how many youth would be interested in participating in the Rookie League. If you are a member of one of the Wolastoqey communities, are between the ages of 5-18, and would be interested in participating in the Rookie League this summer (or if you are a parent with a child who would be interested), please contact Celia Wilson at celia.wilson@wolastoqey.ca and provide her with your name, age and the name of the community that you are a member of.

***This is not registration for the Rookie League. Registration will be at a later date. For planning purposes, WTCI is only trying to get an estimate of the number of youth that will be participating***

City of Fredericton
Human Resources

# TRANSIT OPERATOR II

## Permanent Part-time

**$18.32 / hour**

**Competition #5936.21**
**CUPE LOCAL 1783**

**Description:**

This position is responsible for the safe and efficient operation of a bus, in accordance with established procedures and regulations. In dealing with the public, the transit operator acts as a representative of the City and promotes the transit system by providing prompt and courteous service to transit customers. Incumbents may work varying shifts throughout the day, which would involve split shifts. Fredericton Transit operates from 5:55 am until 11:25 pm six days a week or as otherwise scheduled.

**Candidates invited to participate in the competition process will be required to provide a criminal record check prior to hire.**

**Position Summary:**

- Operates a Transit vehicle in a safe and courteous manner on specified routes and schedules.
- Provides schedule / route information to customers.
- Collects fares according to fare structure from riders of the system.
- Monitors the vehicles while in service, reporting any malfunctions to and following instructions of Maintenance Supervisor.
- Performs related work as required.

**Position Specifications:**

- **Education and Experience**:

  Minimum prerequisite is secondary education, combined with a minimum of three years driving experience. An equivalent combination of training and experience may be considered.

**Knowledge and Desired Skills:**

- The ability to obtain a class 2 NB drivers license with air endorsement.
- Knowledge of traffic laws, ordinances and regulations involved in vehicle operation, and knowledge of the occupational hazards and the safety precautions involved in the operation of the vehicle.
- Previous experience in dealing with the public, and experience in the operation of a commercial vehicle in excess of one ton are considered assets.
- Ability to communicate in both official languages may be considered an asset.

**Interested individuals may apply in writing to hr@fredericton.ca**
**Open Competition (no close date)**
***The City of Fredericton is an equal opportunity employer.***
***While we thank all of those who apply only those candidates chosen for an interview will be contacted.***
***All interviews will take place virtually via Microsoft Teams***

# Clerk – Service Centre

## Purchasing & Customer Services

## Level E

**(Salary Range: $1747.67 - $1909.73 + BSA)**

**Competition # 5945.22**
**CUPE Local 1709**

## Description:

This position is responsible for providing a high level of service to all internal and external customers of Revenue/Receivables – Service Centre by ensuring the smooth operation of the Service Centre, processing Accounts Receivable billings and collections, completing other revenue/receivables financial duties, performing front line parking administrative duties, and maintaining records management systems. In addition, this position is also involved in various continuous improvement initiatives to improve services and streamline processes.

The work can be challenging and demanding, especially considering the public nature of working for a municipal government. To be successful, you must be well organized to meet competing deadlines, take initiative, and be able to work both independently and as part of a team.

## Core Responsibilities:

- Water & Sewer bill payment processing
- Process fees for Criminal Record Checks, Building & Plumbing permits, Recreation Facility Use, Parking tickets, and all other Municipal By-law fine payments
- Filing & Daily Reconciling, Bank Deposit preparation
- Prepare various letters for customer responses
- Scanning, photocopying documents
- Reception/Switchboard/Deliveries
- Mail delivery/pick up at City Hall and within building
- Data entry of tickets, and other daily administrative Parking duties
- Enter data from complaints received in person, over phone or via email
- Outlook and daily schedule updates
- POS items dog tags, Meter bag rentals, Transit passes, Bulk water cards

## Education and Experience:

- Successful completion of post-secondary education, preferably in business, accounting or a related discipline, or a combination of education, experience and training deemed equivalent
- A minimum of one-year experience in a clerical position

## Knowledge & Desired Skills:

- The ideal candidate will possess the ability to adapt to a changing environment; establish and maintain effective working relationships; work as a team in an environment dealing with information of a confidential nature;
- Excellent, oral and written communications along with strong customer service skills;
- Planning and Organization – possesses organizational skills for planning and prioritizing work to achieve maximum efficiency;
- Customer Focus – ability to work with outside agencies, internal customers and public during performance of duties
- Knowledge of Cogsdale, Oracle, and/or other financial systems is desirable;
- Thorough knowledge of modern office practices, procedures and equipment including Microsoft Word, Excel, Outlook and other Windows driven programs, photocopiers and printers;
- **Bilingual abilities in both official languages at the intermediate plus level is a requirement.**

**Interested individuals may apply in writing to hr@fredericton.ca**
**by 4:30 pm on 2022 April 19**

*All interviews will take place via Microsoft Teams*

**The City of Fredericton is an equal opportunity employer.**
**Only those applicants selected for further consideration will be contacted.**
