UCEPP 2026-2027

UNIVERSITY / COLLEGE ENTRANCE PREPARATION PROGRAM

APPLICATIONS ARE STILL AVAILABLE!

UCEPP is a one year liberal arts post-secondary program offered through SMFN Post-Secondary Education Department in partnership with St. Thomas University. It consists of eight university courses at the introductory level from various academic disciplines and a series of academic support workshops. The format is designed to provide students with a solid foundation of academic knowledge and skill sets to transition to an accredited post-secondary institution of their choice.

Benefits of UCEPP

UCEPP will be held in the community. Therefore the program has a smaller class size. Students are likely more comfortable to actively ask questions and actively participate in classroom discussions leading to a better understanding of course content and overall and an improved academic performance.

The program will also offer a series of workshops designed to provide students with essential university skills such as effective note taking, reading, academic writing and research, essay formats, citations, bibliographies, effective communication, study habits, and critical thinking. There will be various field trips to STU campus, the UNB library, and Provincial Archives.

If you are interested in applying for UCEPP – you must be a registered band member who has recently graduated from High School or an adult learner over the age of 21 with or without a High School Diploma. The application for UCEPP involves two steps. All applicants must fill out an application with SMFN Post-Secondary Department (funding) as well as an online application to St. Thomas University. All applicants must meet St. Thomas University's entrance requirements. If you require more information or require assistance with the application process, please reach out. We are here to help!

Early Years Training Coordinator
Wolastoqey Tribal Council Inc.

Term: One year with the possibility of renewal

The Wolastoqey Tribal Council Inc. (WTCI) is a not-for-profit organization whose role is to provide capacity-building opportunities for its member communities within the traditional Wolastoqey territory in New Brunswick. These member communities consist of Matawaskiye (Madawaska Maliseet First Nation), Wotstak (Woodstock First Nation), Bilijk (Kingsclear First Nation), Sitansisk (St. Mary's First Nation), and Welamukotuk (Oromocto First Nation).

Position Summary

The Wolastoqey Tribal Council (WTCI) Early Years team is dedicated to supporting Indigenous Early Learning and Childcare programs through culturally grounded professional learning, capacity building, and community-driven support. Working in partnership with Early Years sites, the team provides tailored services that strengthen educator knowledge, enhance program quality, and support positive outcomes for children, families, and communities.

Through on-site mentoring, professional learning opportunities, and access to specialized resources and expertise, the team supports educators in areas such as Indigenous language and culture, land-based learning, inclusive practices, curriculum development, and early childhood education. Guided by Indigenous knowledge systems and community priorities, the WTCI Early Years Team is committed to building strong, sustainable Early Years programs that nurture the well-being, identity, and future success of Indigenous children.

Key Responsibilities

Reporting to the Director of Lifelong Learning, the role of the Early Years Training Coordinator position is to support the coordination, implementation, and continuous development of training and capacity-building initiatives for community Early Years sites and related programs.

This position blends program coordination, training administration, facilitation, stakeholder engagement, and learner support. The successful candidate will work alongside educators, Elders, community partners, MFI representatives, and other service providers to strengthen workforce development and create meaningful learning opportunities that support children, families, and communities.

Key responsibilities include:

- Plan and deliver in-person and online staff trainings on the Toolbox and EY-1 course.
- Coordinate logistics for training
- Provide ongoing support for learners taking training online and in person offering feedback, moderating discussion boards, and hosting online learning sessions.
- Gather staff feedback and generate reports
- Assist in the creation of additional training and workshop opportunities within the Early Year program.
- Provide support and coordination for community early years professional development and workshop opportunities.
- Maintain strong collaboration between other community organizations, partners and other Tribal Councils on EY initiatives.
